Dear Friends of Budge,

Our mutual good friend Budge Porter needs our help in assisting him purchase a fully powered wheelchair that has been prescribed by his Doctor of Physical Therapy. After 40 years of pushing a manual wheelchair, Budge's neck, shoulders, arms and back are worn out and are riddled with osteoarthritis.

The powered wheelchair that will set Budge free is made by PERMOBIL and it boasts a special adjustable seat that will give his back the critical support it needs and will enable him to lie flat, raise seat to eye level and stand up for his bone and vascular health. Please visit <http://www.permobilus.com/f5.php>

This special chair with its many helpful features is what Budge desperately needs for his future health and wellbeing. All of this technology comes with a high price tag of \$42,000 retail. After insurance and the annual deductible applied, Budge's out of pocket cost is \$18,750. **THIS IS WHERE WE NEED YOUR HELP.** Please visit "POWERING UP BUDGE" at <https://redbasket.org/1023/powering-up-budge-porter> and make a tax deductible donation. RedBasket.org is a 501(c)3 public charity that is able to offer a 100% free fundraising website because of the financial support of their partner, Woodmen Life, a fraternal benefits society based in Omaha, Nebraska.
